HERE WE GROW AGAIN

Stronger and Better Together

We are excited to announce that our Administrative Team will have a new home in 2019. Our continued growth over the past several years has us bursting at the seams in our current offices. After a year of careful planning and budgeting, we've decided to locate our new Administrative Headquarters next door to the Clearwater branch in Lewiston. The new two-story space will house our Accounting Department, CEO and CFO offices as well as Human Resources and Compliance Departments. We are particularly excited about the new training and community room where we will be able to gather all 36 of our employees for important meetings. This will be the first time we'll have the space to have all our employees in the same room together! The community room will also be available to members and the community as a whole for events and meetings. The project is slated to break ground in November of this year and we're looking forward to watching its progress. Once the new building is completed, we plan to renovate the Clearwater branch to maximize and modernize the space to best serve our members.

HITTING THE LINKS FOR KIDS

LCCU's Miracle Match Golf Tournament

Everyone had a great time raising money for Credit Unions for Kids - a division of the Children's Miracle Network (CMN) at our eighth annual LCCU Miracle Match Golf Tournament on June 23rd at Bryden Canyon Golf Course in Lewiston. All the money raised will be donated directly to the Sacred Heart Children's Hospital as part of the Children's Miracle Network Hospitals of the Inland Northwest. Fundraisers like ours enable the CMN to provide comfort, treatment and hope to millions of children and their families. We are honored to be a part of CMN's effort to touch the lives of children in need. Thank you to our major sponsors: Lewis Clark Auto Sales, Supreme Power Sports and JEDA Media and the many others who helped make our event successful.
